# LEVERAGING OUR DIGITAL ASSETS: STANDARD OPTIONS

## STRATEGIC TARGETING OUTPERFORMS "SET IT AND FORGET IT" AD PLACEMENTS.

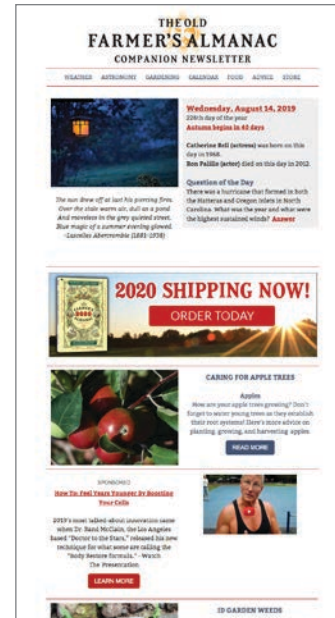

We get it. You can buy more impressions for a dollar when you work with a programmatic network.

But every marketer knows that the best marketing campaign is diversified and includes strategic approaches to talk directly to your future customer. That is where we come in. Yes, we have banner ads and newsletter sponsorships that act as the ideal introductory package or the foundation for a more seasoned digital ad campaign. However, what we specialize in is integrating your product/brand within some of our most powerful digital tools not commonly found on the Internet.

### RUN OF SITE & TAKEOVERS

- 3 standard ad units
- ROS ads: Minimum of 200,000 impressions a month are recommended for an effective share of voice.

### NEWSLETTERS

  - Newsletter Sponsorship (300 x 250 premium placement) or native ad (image, text, link)

# LEVERAGING OUR DIGITAL ASSETS: CUSTOM OPTIONS

We work closely with each advertiser to develop a campaign specific to their needs. Why? Because we can . . . and it works.

## CONTENT SPONSORSHIP PACKAGES

Select from popular Almanac articles that align with your product/brand or ask our editorial team to develop a custom article on a topic that will complement your brand.

We wrap your brand around the article on the website along with all of the promotional elements used to drive audiences to the article and your website.

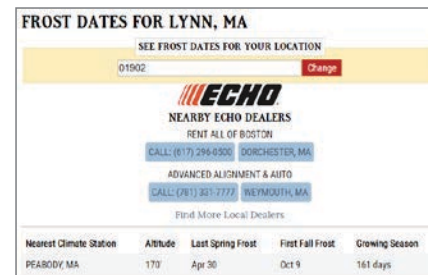

## SOCIAL MEDIA PACKAGES

We are equipped to run a custom social media campaign on our social platforms. Opportunities are limited and available for select product categories.

## TRIGGER PROGRAMS & DEALER LOCATORS

Timing is key to a successful marketing message. We have a number of tools on our site that deliver timely information depending on the user's geography. Whether it is the first frost date or upcoming weather events, the tool can deliver to the user a specific message about your product (including promoting the local area dealer!).

## FULLY CUSTOMIZED

Want to reach the Almanac audience but need something not mentioned here? Our team will brainstorm custom solutions for your next digital marketing campaign with us.
